* Per the R06 MOU, effective 07/01/04, the rate for this pay differential should have been increased from \$167 per month to \$176 per month. However, the rate for this pay differential was inadvertently not changed effective 07/01/04. To correct the oversight, a "one-time only rate" of \$192 per month for this pay differential is established effective 09/01/04 to reflect the increase for July, August, and September 2004. Effective 10/01/04, the rate for this pay differential will be \$176 per month.
